## **UPster B Flight Type Dishwasher**

**UPster B 460VAP CSS-Top + Thermolabel:** Pre-wash + wash + wash + Unloading section / drying section

Execution for: Saudi Arabia Capacity: 4000 / 5700 / 6600 plates/h Heating: Electric Working direction: Left to right Power supply: 3N PE 380V 60Hz Tank filling: Soft warm water

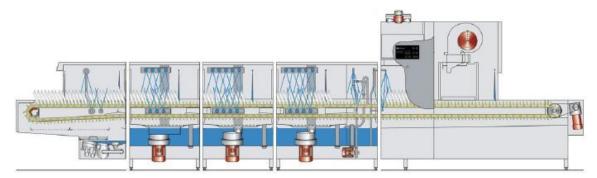

UPster B is the new generation of warewashing technology.

Perfectly tailored for people and the environment, economical, resource-efficient and user-friendly.

- MEIKO UPster B offers state-of-the-art technology at an impressively low price and offers an outstanding array of advanced technologies.
- Designed to make hygiene management more efficient than ever, it guarantees maximum cleanliness all the way down the line.
- The built-in chemical saving system CSS optimizes wash performance, reducing chemical use by up to 50 percent.
- The CSS-Top version goes even further, achieving reductions in chemical use of up to 80 percent.
- The intelligent AWS system significantly reduces the amount of water used by the warewasher, keeping the use of this valuable resource to a minimum while still maintaining sparkling clean results.

MEIKO UPster B. All the latest warewashing improvements in a single system.
